

Sale Name: Friday night auction extravaganza; New, misguided freight, returns,
LOT 122 - \$219+ D-Link AX5400 Mesh WiFi 6 Router - 6-Stream, 802.11ax Router, Dual Band, OFDMA, MU-MIMO,

Description

New with box;

- Next-gen Wi-Fi 6 Speeds up to 5400 Mbps (600 Mbps + 4800 Mbps) - Get 5 GHz band speeds up to 38 % faster than the equivalent 11ac, for smoother streaming, more responsive gaming, and ultra-fast downloads
- Get a more dynamic, future-ready mesh network - Connect more devices at faster speeds. Up to 4x greater capacity than 11ac, so more devices can connect at once. Better performance in device-dense environments. Up to 6 simultaneous streams deliver data to more devices with less latency
- Six high-gain external antennas and high-power amplifier combine for strong, reliable Wi-Fi throughout your home, but if you need more, be future-ready with advanced Wi-Fi Mesh functionality
- OFDMA, SmartConnect, Built-in Internet Speed Test, D-Link Wi-Fi App, BSS Coloring, Voice Control, Enhanced Parental Controls, Mesh Wi-Fi, Latest Wireless Encryption, Auto Firmware Updates, Easy App Setup

Quantity: 1
