**LOT 64 - Vintage Wooden Dining Chair with Intricate Carvings**

## Description

This is a vintage wooden dining chair with a decorative backrest featuring intricate carvings. The chair has a rich brown finish and a padded seat upholstered in maroon vinyl or leather, displaying some wear and patina. It features turned wood legs with additional support rails, adding both style and stability. The condition suggests it might have antique or retro appeal, making it suitable for traditional or eclectic interiors.

**Quantity:** 1
