LOT 96 - Decorative Wreath with Homespun Fabric Doll

Description

This product is a decorative wreath featuring a homespun fabric doll holding a small metal bucket. The wreath itself is made of woven rattan, wrapped with green and maroon plaid fabric. It includes a large plaid fabric bow and a small hanging quilt piece with miniature clothespins. A heart-shaped wooden sign attached to the wreath bears the phrase "M is for Mom not Maid." This charming, rustic decoration is likely intended for home decor, especially fitting for a country-style theme.
