

Sale Name: Chairs Limited Business Closure Auction - Owner Retiring
LOT 71 - Faux Leather Desk Organizer Set

Description

This image features a desk organizer set made from faux leather, designed for office use. The set includes a tall magazine or file holder, a pen holder, a mail or document tray with two angled compartments, and a stack of small drawers for miscellaneous items. The set is a light brown color with white accent stitching, offering a sleek and professional look. Ideal for keeping a workspace tidy and organized.
