LOT 119 - Sock Monkey Toy

Description

This is a sock monkey toy. It's crafted from socks, featuring a classic sock knit pattern with gray, red, and white colors. The monkey is adorned with a blue felt vest with plaid pockets and white buttons. It also sports a yellow felt hat with a red design on top. The eyes are made from black fabric, and it has a red stitched mouth. This handmade-style toy is known for its vintage and nostalgic appeal.
