

Sale Name: Chairs Limited Business Closure Auction - Owner Retiring
LOT 122 - Decorative Bowl with Assorted Decorative Balls

Description

This is a decorative bowl filled with assorted decorative balls. The bowl itself appears to be dark-colored, possibly made of ceramic or metal. The assortment includes various balls made from different materials such as mosaic glass, rope, and wooden or natural textures. Some balls feature designs resembling maps or globe patterns, while others are crafted with intricate detailing. This product is typically used as a centerpiece for tables or decorative accent in living spaces.

Quantity: 1
