LOT 141 - Monochromatic Photograph of Vase with Flowers

Description

This product is a wall art piece featuring a monochromatic photograph of a vase with flowers. The vase is depicted with a modern, elongated shape, and the flowers have a soft, texture-rich appearance. The artwork is printed on canvas and framed with a thin border, providing a sleek, elegant look suitable for contemporary interiors. The color palette is muted, mainly in shades of black, white, and sepia, which adds a classic touch to any room decor.
