LOT 150 - Large Decorative Ornament with Silver Reflective Surface and Red Ribbon

Description

The product is a large decorative ornament, resembling a Christmas tree bauble. It features a silver, reflective surface with an intricate white design pattern throughout. A red ribbon is attached to the top, suggesting it's used for hanging. The ornament appears to be designed for festive decor, possibly for a larger space given its size. The overall condition looks good, with a vintage or antiqued finish.
