

Sale Name: Chairs Limited Business Closure Auction - Owner Retiring
LOT 154 - Royal Scrittore Manual Typewriter

Description

This is a Royal Scrittore manual typewriter. It features a classic design with a QWERTY keyboard layout, black keys, and red function keys labeled "TAB" and "REPEAT SPACER." The typewriter is housed in a durable black plastic case that can serve as a carrying case when closed. It appears to be in used condition and includes a paper roller with "CHAIRS LIMITED Ergonomics at Work" printed on its cover, likely added for presentation purposes. This typewriter is designed for manual typing and does not require electricity to operate.
