LOT 153 - Brother GX-6750 Electronic Typewriter

Description

The product in the image is a Brother GX-6750 electronic typewriter. It features a compact design and functions with an automatic correction system for easy editing. The color is a neutral gray, typical of many office devices. It's equipped with a transparent cover over the typing mechanism and a manual knob on the side for feed adjustments. This typewriter is ideal for those who appreciate traditional typing experiences with some modern conveniences.

Quantity: 1
