LOT 165 - Vintage-Style Suitcase Clock with Victoria Station Inscription

Description

This product is a vintage-style clock designed to look like an old-fashioned metal suitcase. The exterior has a weathered, black finish, adding to its antique appearance. The clock face is circular with large, easy-to-read numbers in an old-fashioned font, and it features the inscription "Victoria Station" and "London." The clock hands are ornate, complementing the vintage design. The item appears to have a latch closure, similar to a suitcase, giving it a unique decorative appeal for vintage or eclectic home decor.
