

**Sale Name:** Chairs Limited Business Closure Auction - Owner Retiring

**LOT 176 - Vintage Emerson Sound CD/Radio/Cassette Tape Stereo System**

**Description**

This is a vintage Emerson Sound CD/Radio/Cassette Tape stereo system. It features a multi-function display, two detachable speakers, and a central unit with a CD player, dual cassette decks, and AM/FM radio capabilities. The stereo system has various controls for playback, tuning, and sound adjustment, including options for bass and treble, repeat and search functions, and high-speed dubbing for cassette tapes. It is designed in a classic silver and black color scheme. The product shows signs of use, such as dust on the top of the speakers.

**Quantity:** 1
