

Sale Name: Chairs Limited Business Closure Auction - Owner Retiring

LOT 179 - Black Caster Wheels for Furniture

Description

The image shows a box containing several black caster wheels. These are commonly used for office chairs and furniture that require mobility. Each caster consists of a wheel and a metal stem for attaching to the base of a chair or similar object. The condition appears to vary, and they are likely made of durable plastic with metal components.

Quantity: 1
