**LOT 219 - Vibrant Harbor Scene Oil Painting**

**Description**

This product is an oil painting depicting a vibrant harbor scene. The artwork features a view of buildings along a waterfront, with palm trees and boats in the foreground. The use of vivid colors such as blues, yellows, and reds creates a lively and inviting atmosphere. The texture suggests a palette knife technique, adding depth and dimension to the painting. It is unframed, displayed as a stretched canvas on a wooden frame. Ideal for adding a touch of Mediterranean charm to a living space.
