LOT 347 - Set of Four Decorative Floral Wall Art Pieces

Description

This product is a set of four decorative wall art pieces, featuring floral designs. Each piece depicts a close-up of a flower. Three pieces have a monochromatic theme with a light background and dark floral center, while one has an orange background with a white flower. They are likely printed on canvas or similar material, suitable for home or office decor. The condition appears to be good, with no visible damage in the image.
