

Sale Name: Friday night auction extravaganza; New, misguided freight, returns,
LOT 381 - \$900+ Barracuda CloudGen Firewall F-Series F12 - firewall

Description

Protect cloud-connected users, network workloads, and devices wherever they reside.

Barracuda CloudGen Firewall appliances combine a complete, next-generation security stack with the connectivity, optimization, and cost savings of a full SD-WAN solution in a single, easy-to-manage hardware appliance. Get up and running quickly and easily in any environment with zero-touch deployment and native cloud integration. Barracuda CloudGen Firewall optimizes the performance, security, and availability of dispersed, enterprise SD-WANs.

Quantity: 1
