Sale Name: Friday night auction extravaganza; New, misguided freight, returns, LOT 419 - Circle Home+ with Disney - Parental Controls and Filters for your Family's Connected Devices

## **Description**

Managed through a companion iOS app, Circle with Disney is a tool that helps parents stay informed about their kids' online activities and limit screen time on every device in the home, including smart phones, tablets, computers, and gaming consoles. Circle with Disney pairs with home Wi-Fi and gives parents the ability to filter content, set a

bedtime for devices, and even completely pause the Internet. Each user's profile and settings can be completely customized based on age and parents' preferences.
